Says Grass of Parnassus (Annotated) "Ever since I became an actor I've always tried to connect between the worlds of theater and music. These Paleo beauties are far from ginormous gut-busting bakery muffins. However, all three of them deal with topics which have come to play an important role in the post-war construc- tions of German identities, such as the GDR and the Holocaust. Franklin was having none of it, and he managed to assure that William would be impoverished. But philological clarity in literary texts can quickly turn into too much of a good thing.
