American Fuji

The suspense of who was causing her problems and why, had me on the edge of my seat. The wall of the Fifth Gate was built of white marble, and was low and broad, and its parapet was a trellis of silver between five great globes of marble; and there stood many archers robed in white.

Wild Honey

President, you ought to know that this nation is more a 'Tale of Two Cities' than it is just a 'Shining City on a Hill'. I do not know much about engineering notation semantics but if what you say is correct, that torque means that which is zero if the object is not rotating at all or with a constant angular velocity then that is what would be called net torque in physics which seems to make more sense to me.
