Vision In The City

Mira Kandar in her book "Planet India-how the fastest growing democracy is transforming America and the World", has said; One day soon whe'll a critical mass of the talent, the money, and the market is in Asia, a tipping point will be reached and India will be joining the game or even winning the game to inventing new rules for new games. The spine remains undamaged.

After Me

Health regulations required that only embalmed bodies could be returned to port. I just thought the climax of this book was a little muted compared to the .

Negative Side Effects: an Ed Lazenby mystery

And while that means that IKEA and other big-box retailers have arrived in the periphery, it also means that social polarisation is growing.

The Three Faces of Rock

He made the point of the lesson clear, reminding them that he was the same man dressed in either outfit.
