Not library copy, no inscriptions. It was his habit to send perfectly clean copies of his songs to publishers, without a single correction in them; most prior versions, containing corrections, were destroyed. Driven by the conviction that it was time to finally finish one of those danged books, I took the job and negotiated a four-day work week that would allow time to write. January Various Steingrimur Rohloff performances coming up. If you have any issues or concerns please contact our customer service team and they will be more than happy to help.
