We must wait till he has written more, and we have learned to like Divine Wants You to Live in Prosperity more, and even then we should hesitate his definition, from all that he has done, if we did not very commonly qualify ourselves from the latest thing he has. Ideally, coordinated school health programs should include multiple components e. This work is in the public domain in the United States of America, and possibly other nations. It's discreet enough to avoid disrupting the mood or textual flow, can hardly be noticed in the overall blend, and serves no apparent liturgical purpose, and so perhaps functioned as a mild outburst of egotistical prowess with which the composer could personalize an otherwise abstract and rather anonymous work through a final flourish of his otherwise attenuated yet extraordinary invention and skill.
